Evenweaker

Portugal · evenweaker@disroot.org · github.com/ElegantVW

PROFILE

Twelve years of hospitality, waiter to head bartender, building drinks and menus. Now a software practice of my own: tools that run on the machine in front of you, a local assistant, and a desk app for a family auto shop. Native Portuguese and English. I specify the work, review the output, and the proof is in the repos. Available now — remote, hybrid, or on-site in the Lisbon area.

EXPERIENCE

Jun 2026 – Present	**Independent software** · Portugal Tools that run at home. Desk app for the family shop (files, quotes, accounts). github.com/ElegantVW.
Apr 2026 – May 2026	**Senior bartender** · The Front Bar, Lisbon (Príncipe Real) High-volume bar, long late shifts. Drinks-menu concept.
